Ref. No. IAAS / Projects / 07

15th December, 2011

To

Dear Student,

Sub : Submission of Projects by Final Year Students.

You are aware that the Final Year B.Sc. (Aviation) students are required to submit six projects on the following subjects:-

- | | | |
|------------------|----------------------|-----------------------|
| A) CRM | B) Aviation Medicine | C) Aviation First Aid |
| D) Flight Safety | E) ATC & Management | F) Aviation Security |

You are advised to start preparation for the above named projects to be submitted till 5th March, 2012.

The Institute is planning to hold special lectures on the above projects around 9th January, 2012 to 13th January, 2012. This is an advance intimation being given to you so that you can arrange your leave accordingly.

Please ensure that you attend these lectures to enable you to complete the syllabus & commence writing the projects required for the B.Sc (Aviation) degree. It is reiterated that a good standard in these subjects is a pre-requisite to your graduation & no compromises may be accepted.

The Time table for the lectures is enclosed.

Yours faithfully,

Wg. Cdr. S.C. Mehta
Vice Principal.
